

PACO RABANNE SPECIAL EDITION

RESERVA 2005

D.O.Ca. RIOJA

A splendid wine that pays tribute to a unique "terroir"

Paco Rabanne Special Edition comes with a label inspired by the designer to mark our 40th Anniversary. The superb 2005 vintage combines the wonders of nature with an elegant structure and striking character.

SOILS

A splendid wine that pays tribute to a unique "terroir" located on stony ground where the grapes reflect the essence of old vine-stocks of limited yield.

HARVEST

The grapes are selected from a single vineyard of approximately 60 years old and are harvested parcel by parcel as they reach maturity. The quality of each bunch of grapes is then further controlled during a selection process on tables.

TOTAL TIME IN BARREL

22 months in French oak barrels resulting in complex aromas and flavours.

AGEING IN BOTTLE

Aged in bottle down in our dark, silent cellars where this special Reserva has acquired its rich, elegant character that promises to develop superbly towards the future.

TASTING NOTES

Deep, bright ruby colour. Fragrant bouquet that opens out with multiple sensations and, in mouth, delicious body wrapped in soft tannins. The wine's exquisite character bears fruit to the best of tradition combined with a fresh and permanent impetus towards excellence.

DESIGN

Creativity and design inspired by Paco Rabanne. In this label, he is stimulated by the firmness of black and white with the impact of the letters representing the strength of the brand and, overleaf, the fundamental characteristics of the noble crest that represents our brand name.

GRAPE VARIETIES

95% Tempranillo, 5% Graciano
